Dear Parent or Guardian,

Earlier today, the Department of Education received deeply troubling news regarding Taleek Brooks, a former paraprofessional at our school. As you are likely aware, Mr. Brooks was arrested on January 13, 2012 on charges of shipping and transporting child pornography.

Today, we learned that the FBI discovered new evidence that indicates Mr. Brooks may have not only possessed child pornography, but is alleged to have produced child pornography himself. There are also unconfirmed reports in the news media that these incidents may have occurred on school grounds. The investigation is continuing.

Obviously this matter is of tremendous concern to us as the safety of our students is paramount.

It is our expectation that FBI investigators may be in the school as early as tomorrow and we will fully cooperate with their efforts.

If anyone has information pertaining to this situation and Mr. Brooks, they can contact the FBI at 212-384-2700. We will also have a crisis team at the school to support students, families and staff during this difficult time. We will be scheduling a meeting for parents as soon as we receive more information, and promise to keep you informed as we learn more information.

Sincerely,

Karen Hambright-Glover

Principal
